

Graphic Art solid polypropylene sheet with maximum opacity

High quality polypropylene print board

Designed for promotional media. Whether it be for large advertising posters or customised cards, Corex **Graphex®** is the optimal solution for screen & digital printing.

Its maximum opacity prevents ghosting effect and makes **Graphex®** an ideal plastic printing media. This specially formulated Blue White solid sheet is ideal for enhancing skin tones thus maximising your print outcome.

Graphex® is suitable for guillotine and die cutting in low gauges. It is also able to take eyelets and general fastening systems.

Applications

- Signage
- POS Display
- Packaging
- Fabrication
